

Great Glacier Adventure Payment Option:

- At the time of booking a \$200 non refundable deposit is required to make the reservation.
- 30 days from when the reservation was made, a 50% payment is required.
- 30 days from the tour start date, payment in full is required or the reservation will be cancelled. A refund less the \$200 non refundable administrative fee will be applied.

Example:

Mr. Smith books a reservation on March 15, 2011 for a tour starting on August 30 for him and his companion. He would pay the \$200 non refundable fee to hold his place on that tour date. On April 15th he would be contacted and reminded that he needs to pay \$1970.65 to continue holding his place on that tour. Once that is paid, he has until July 30th to pay the remainder of the balance due which would be \$1770.65.
