Outside Events...

Because of the typically beautiful weather in East Glacier, the front and back lawns at Glacier Park Lodge are both ideal venues for wedding ceremonies and receptions. Many bridal couples choose to have their ceremony on the front lawn in a private spot with wonderful mountain views, and birch and pine trees surrounding their guests as they speak their vows.

Receptions follow on the back lawn with plenty of room for a dance floor and up to 180 guests. Many couples choose to have a tent installed which provides a wonderfully private and elegant atmosphere. Indoor locations are always kept available in the event of a surprise storm.

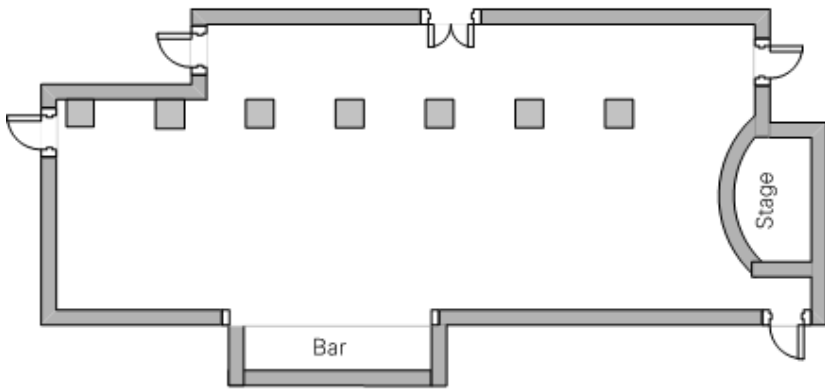

Wedding Packages...

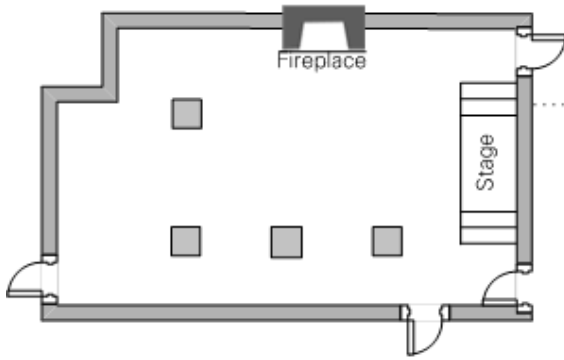

Custom designed wedding packages are available and can include your rehearsal dinner, wedding ceremony with a natural birch arch, wedding reception/dinner, and private morning-after brunch.

Sample menu for wedding reception: Start with an appealing arrangement of fruit, cheese, crackers and breads and our wonderful Grand Marnier yogurt dip, along with other hors d'oeuvres such as whole poached Atlantic salmon with dill cream cheese spread, spinach and artichoke dip, antipasto tray, coconut battered shrimp, beef or chicken satays and spanakopita. Your guests will then enjoy tossed salad greens, fresh seasonal vegetables, potato or rice of your choice, salmon, prime roast beef, pork or poultry entrees and your wedding cake. We can also prepare an assortment of desserts as an additional offering.
